

Volunteer Office to Be Sponsored by Pilot Club

Torrance will have its own Volunteer Bureau office in the near future, under the sponsorship of the recently organized Pilot Club of Torrance. The announcement came following a dinner meeting of the local club, at a Waleria restaurant, last Thursday evening, conducted by Mrs. Ladeene Chamberlain, president. The location and the opening date of the office will be announced later.

Miss Evelyn Davis, director of Volunteer Bureaus, was the guest speaker at the club meeting. She pointed out that the volunteer bureau will be part of the operation of the Harbor Welfare Planning Council, a Community Chest-supported agency. This will be the answer to the question "What can I do with my spare time?" for the women of this area. The office will be a referral base for persons desiring to devote a few spare hours a week in a health or youth agency. Mrs. Meri Swafford, chairman of the Volunteer Bureau committee, said that a survey of Harbor area agencies this spring revealed a desperate need for volunteers. The survey showed that 1,000 volunteers could be used with more than 27 types of volunteer work involved.

Youth services, such as the YMCA, YWCA, community centers, Camp Fire Girls, and city recreation centers reported that they all have need for volunteers in youth work.

Health services like Harbor General Hospital, and city health need volunteers for patient care and rehabilitation. The Community Chest, American Red Cross need clerical workers and during their campaigns need volunteer solicitors. Family Service also needs clerical workers.

Volunteer bureau offices will also be set up in neighboring communities in the near future as a result of the survey made last spring.
